Mary le Chef - Cooking Passion

GameHouse presents a brand new cooking game from the creators of the award-winning Delicious series!

Players can now enjoy the 1st season of Mary le Chef! They'll play through 60 restaurant levels, and 30 extra challenge stages across 6 charming chapters. The game has 70 different dishes, and the possibility to upgrade restaurants and menus. While cooking all those tasty recipes, players get to watch a wonderful story unfold.

Mary works at large law firm - and being a real Vanderworth, her parents expect Mary to have a career as a lawyer. Except, Mary feels she has a different calling - she loves cooking, and wants to become a chef! Will Mary have the courage to stand up for herself, and follow her heart?
