## Heart's Medicine – Time to Heal

Allison Heart's hospital game brought to you by the creators of Delicious!

*"My mom and I love this game so much. We are waiting for new game of you. Big fan!!!"*

(Pati Yato, US)

Become a doctor in a romantic medical drama, and be part of the life of aspiring surgeon, Allison Heart! When Allison falls in love with Daniel, Head of the Hospital, she discovers that she still has strong feelings for her old flame, Connor, Head of Pediatrics. Romance blossoms when suddenly Daniel has a terrible accident, and Allison is the only one who can save his life! In fact, she's rushing him to the hospital, when the ambulance crashes...
